

MOSHI UNIVERSITY COLLEGE OF CO-OPERATIVE AND BUSINESS STUDIES (MUCCoBS)

Constituent College of Sokoine University of Agriculture
P.O.Box 474, Sokoine Road, Moshi, Tanzania

Strategic Financial Management Course for different organizations

Introduction

The **Strategic** Financial Management discipline has continued to grow with time. This has been necessitated by the rapid growth of Business enterprises, SACCOS, NGOs, CBOs, Government Agencies, Banker, and Government Sectors, to further develop the skills and confidence of SACCos, NGOs, CBOs, Business Organisations, Government Agencies, Bankers, and Government Sectors staff to manage the strategic aspects of finance, and a deliberate effort by the Government to continue creating an enabling environment through regulation. It is based on the above that the MUCCoBS has organize a 10-days course on **Strategic Financial Management for different organizations** that will attempt to address the above.

Purpose and Aim of the Course

The purpose of the Strategic Financial Management for SACCos, NGOs, CBOs, Business Organizations, Government Agencies, Bankers, and Government Sectors course is to build the capacity of staff to manage the financial sustainability of their organizations.

The course picks up on the more advanced aspects of financial management for SACCos, NGOs, CBOs, Business Organisations, Government Agencies, Bankers, and other institutions, to enable participants manage the strategic aspects of finance in their organization. Participants will also be able to share new experiences on the Strategic Financial Management on their respective organizations.

What you will learn

- What does strategic financial management involve?
- The key features of financial sustainability
- Financial risk analysis-knowing your 'enemy'
- Building a financial strategy- planning for financial sustainability
- Donor dependency versus diversification of funds
- The challenge of financing and managing core costs
